

ALLEGION™

Start smart

simplify your multifamily projects

# More than hardware

When you choose Allegion, you can expect us to provide you with tools and services that go beyond the product or solution to ensure your job is executed accurately and efficiently.

## Tools & Services

Specification consultation

Code consultation

Access control coordination

Product standardization

Submittal reviews and RFAs

Pre and post installation trainings

OVERTUR™

Cloud collaboration platform for the design and specification of your door hardware

Budgetary planning

# Proptech Alliances

Proptech, or property technology, is the application of technology, products and services in multifamily buildings that provides seamless and convenient experiences for residents, property managers and owners. Proptech reimagines how people live and work in buildings and leverages technology to improve those processes.

Perimeter  
& common  
area security

Unit devices &  
smart apartment

Property  
management  
software

Self-guided  
tours

Integrated  
user app

Distributed  
Wi-Fi

Package &  
food delivery

Visit [visit our multifamily web page](#) to see a comprehensive list of alliances in our ecosystem.

## Solve the everyday problems of shared property access with Zentra

### ✔ Single System

Zentra covers unit to perimeter access on one single system for centralized control over your community

### ✔ Easy to Use

Zentra is built for you to easily manage the everyday needs of shared spaces.

### ✔ Seamless Convenience

Zentra puts you in control of your property. Grant and revoke access to any door on your property, all from your desk.

### ✔ Built in Support

Between a dedicated customer success team and your Zentra Authorized Integrator, your property will be ready for anything.

Zentra Living is a centralized access control solution for every access point on your property.

Zentra Living utilizes Schlage's world class lines of offline, wired online, Wi-Fi enabled and RealSync™ Persistent Wi-Fi, devices.

Zentra Living includes unlimited mobile credentials and is the first and only solution to offer resident key in both Google Wallet and Apple Wallet.

An easy to use, one-time fee based access solution for offline Schlage Wireless No-Tour and Wi-Fi devices.

Built in reporting capabilities and optional Bluetooth mobile credentials are available.

Seamlessly upgrade from Zentra Connect to Zentra Living as your access needs evolve.

# Schlage Mobile Access Solutions

The comprehensive Schlage Mobile Access Solution includes the Schlage mobile enabled multi-technology readers and wireless electronic locks and Schlage Mobile Access Credentials. Schlage offers the most complete, secure and flexible mobile access solution available in the industry today.

**Alllegion creates value by securing people and assets with seamless access:**

#### At home

# Solutions across your entire property

Allegion offers premium, standard and basic solutions for every opening through our comprehensive portfolio. Lever and finish suiting options create seamless design throughout your entire property.

1. Main entrance & perimeter
2. Resident entrance
3. Resident interior
4. Offices
5. Common areas & amenities
6. Stairwell & garage
7. Electrical room

For more information on our solutions, please visit our [multifamily web page](#) or contact your local Allegion sales rep.

# Suiting

Our sales team and spec writing experts can assist you to ensure that lever designs and finishes suite throughout the building for a cohesive look.

For a full view of our suiting capabilities, check out our [Suiting Guide](#).
